

Refugee Health Forum

Friday 22 April 2016 9:45am—3:00pm

Venue: Willis Room, Whitehorse Civic Centre, 397 Whitehorse Road, Nunawading.

Participants will:

- Gain knowledge about current refugee health services and programs in the Eastern Region
- Identify some of the unique health needs of people from refugee backgrounds
- Follow the journeys of people from refugee backgrounds through a case study approach
- Explore gaps and barriers to accessing services for these diverse communities
- Identify future advocacy actions
